

Background

Voyce is the interpretation service used with in-person visits, and is now available with TeleDoc for Tele-visits.

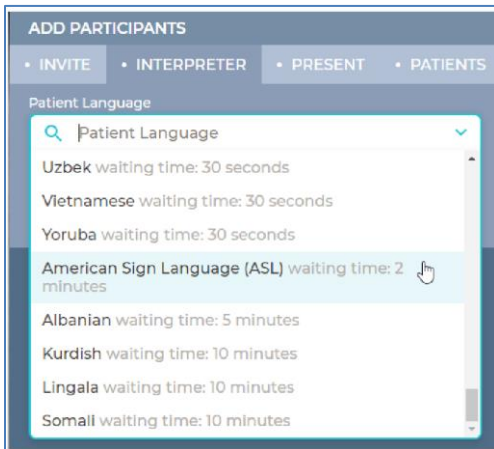

Provider Steps

1. Log on to TeleDoc using the normal process.

2. Click the Invite button seen in the bottom right of the screen. ()

3. Click the "Interpreter" tab, and select the preferred language from the drop-down.

4. An available interpreter will join the Telemedicine visit and appear as an additional thumbnail image
